

## **Biography of Keith H Millard**

### **124<sup>th</sup> President of the Institution of Mechanical Engineers**

President Keith Millard joined the Institution in 1968 and became a Fellow in 1977. He chaired Technical Strategy Board until recently and is a past Chairman of the Power Industries Division Board and was founding Chairman of the Management Group Board. He has been a Trustee since 2004.

He began his engineering life as a seagoing marine engineer followed by a period as an operations engineer with the Central Electricity Generating Board.

Since 1970 his career has been centred on consulting. Much of his early work was in the power sector and he has had some 30 years' general management experience.

For 11 years he was Managing Director of Gilbert Associates, before becoming Business Development Director for Balfour Beatty Construction International and then a Vice President of Parsons International responsible for Europe, Africa and the Middle East. He has worked in some 40 countries.

In 1998 he founded Kea Management advising clients on strategy development and providing a coaching and mentoring service to Chief Executives through Vistage International.

He is a Liveryman of the Worshipful Company of Engineers and an active Rotarian.
