

YOUNG MEMBER LEAD FOR COUNTRY

The future of the engineering profession clearly lies with young engineers. By becoming a volunteer for the Institution you will have the opportunity to act as a champion for the engineers of the future and to truly influence the future direction of your Institution. You will also have the opportunity to directly contribute to our vision of 'improving the world through engineering'.

The role

The Young Member Country lead:

- Will join together and motivate the young members based in your country around the Institutions vision.
- Give support to the branch/group/or corresponding member lead in your country, as well as giving the young members point of view.
- Provide feedback to the European forum chair and Young Member representative about the opportunities and needs for your country.
- Inspire other Young Members to volunteer.

Any specifications

- Member of the Institution (Affiliate/Associate/Corporate level)
- Pasionate about engineering (whatever the country/language)

Time commitment

- Role would be for at least 1 year to enable you to get to know the Young Members and build the countries network and no longer than 3 years
- Time commitment would be flexible, but will require you to set around 2-3 hours asside a month.

Benefits to you

By becoming an active volunteer you will automatically join the Ambassador Scheme (our fancy name for our volunteers!). You will also have the opportunity to demonstrate and develop a range of skills which look great as part of your Resume as well as helping you towards

professional registration with the institution if you're not already a corporate member (and if you are they're still good skills to work on):

- **Leadership**
- **Communication**
- **Networking**
- **Motivating and coaching**

Other benefits

- | |
|---|
| <ul style="list-style-type: none">▪ Actually shape the Institutions vision for your country and lead the Young Member efforts.▪ Be part of the European Young Members Forum team |
|---|

Our commitment to you

- Introductory telecon
- Support from Headquarters in London (ideas, materials etc)
- Support from European Young Members Forum representative
- Network of all European Young Member Country leads
- Opportunity for relevant training

How to apply

If you are interested in this role then please complete the application form found here (<http://www.imeche.org/ye/opport/Current-Volunteer-Vacancies.htm>) and return a copy to youngmembers@imeche.org

*Young member definition: "Affiliates, Associates and those Members who have been professionally registered for 10 years or less."
