The above team has applied for a Railway Challenge Award from the Institution of Mechanical Engineers. In accordance with the requirements, the applicant has suggested that you would be prepared to provide a reference, which includes the following information:

- **If a University affiliated team application: academic achievements and potential academic achievements of individual members of the team and how the project activity will benefit that applicant academically.**
- **If an Industry affiliated team application: personal and business objectives and achievements of individual members of the team, and how the project activity will benefit that applicant.**

I should be grateful if you would supply a reference **by 24 January 2020.**

Applications for these awards will be reviewed following a meeting of the Formula Student & Transport Challenges Awards Committee in mid-January 2020.

Thank you for your co-operation in this matter. I look forward to hearing from you.

Yours sincerely
