Unmanned Aircraft Systems Challenge 2020 Liability Waiver

To be signed at the fly-off event in June 2020

I declare that:

1) I have been given the opportunity to read the Civil Aviation Authority (CAA) Air Navigation Orders in CAP393 and, if any, the Supplementary Regulations for this event and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so. I acknowledge that I understand the nature and type of competition and the potential risk inherent with unmanned aviation and agree to accept that risk. I understand that unmanned aviation can be dangerous and accidents causing death, injury, disability and property damage can and do happen. I understand that these risks may give rise to my suffering personal injury or other loss and I acknowledge and accept these risks.

2) To the best of my belief the operator(s) and/or remote pilot(s) possesses the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and airworthy for the event having regard to the course and the speeds which will be reached. The use of the vehicle hereby entered will be covered by insurance as required by the competition which is valid for such part of this event as shall take place in airspace as defined by the competition.

3) I understand that should I at the time of this event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of the vehicle, I may not take part unless I have declared such disability to IMechE which has, following such declaration, issued authorisation which permits me to do so. I undertake that at the time of the event to which this entry relates I shall have passed or am exempt from an ASN specified medical examination within the specified period. (H10.1.6)

4) I hereby agree to abide by the Civil Aviation Authority (CAA) Air Navigation Orders in CAP393 and the National Sporting Code of Conduct.

5) I hereby agree not to operate and/or remotely pilot an unmanned aerial vehicle while under the influence of drugs and/or alcohol. In the case of prescription medication, I agree to not operate or remotely pilot an unmanned aerial vehicle should any such medication effect my ability to safely operate the vehicle in any way.

6) I understand that my personal data is being processed solely for the purposes of running this event and will be handled by the organizers in accordance with IMechE data protection policy which can be provided upon request at uaschallenge@imeche.org.

Indemnity: In consideration of the acceptance of this entry I agree that neither any one of or any combination of the Civil Aviation Authority and its associated clubs, the organisers, the track owners or other occupiers, the promoters and their respective officers, servants, representatives and agents (the “Parties”) shall have any liability for loss or damage which may be sustained or incurred by me as a result of participation in the Event including but not limited to damage to property, economic loss, consequential loss or financial loss howsoever caused. Nothing in this clause is intended to or shall be deemed to exclude or limit liability for death or personal injury. To the fullest extent permitted by law I agree to indemnify and hold harmless each of the Parties in respect of any loss or damage whatsoever and howsoever arising from my participation in this event.

To be completed by ALL team members.
