

Formula Student UK Business Plan Presentation Special Condition 2026

“One of the investors has a manufacturing background and is keen to drive safety in motorsport. As a part of your wider Business Plan Presentation describe how your prototype vehicle or a core component of it is safe for use in the motorsport industry.”

Please note :- This special condition is in addition to the BPP objectives & requirements detailed within the FSUK 2026 Rules and does not supersede those requirements. The special condition is not applicable to the FSAI UK BPP Competition.
