

Indemnity Declaration Guidance Notes

The team accounts have been updated with the Motorsport UK indemnity integrated to the 'View My Details' tab. This means that each individual team member is now responsible for completing their own declaration whereas before it was a single document for all team members to sign and then a team member had to upload the completed form.

Users should login, go to 'View My Details' on the left hand menu and scroll down to the 'Indemnity Declaration' red box. Click on this and it will take you through the processes to complete the indemnity form.

Only once team members have completed their declaration are they able to be selected as 'Attending Silverstone' on the 'Manage Members' table.

The deadline for confirming team members who are 'Attending Silverstone' is 6 July 2020, but we strongly recommend you ask team members to complete the indemnity declaration as soon as possible so that any issues can be flagged well ahead of the deadline.
