

Formula Student 2020 - Team Management Deadlines:

Documents submitted by the date and time shown in the 'Submission Deadline' column will not incur any late submission penalties, however blank or minimally completed submissions will be treated as 'Not Submitted'. Documents received after the 'Submission Deadline' date and time will incur lateness penalties as described in the 'Penalties Incurred for Missing Submission Deadline' column. Please refer to section A5 of the Formula Student Rules 2020, Formula Student UK Supplementary Rules 2020 and the table below for further details.

Submission of documents after the date and time shown in the 'Final Date for Late Submission' column may not be possible and any such submissions that are received will be marked as 'Not Submitted'. **NOTE THAT IN SOME CASES THIS WILL PREVENT FURTHER PARTICIPATION IN THE CORRESPONDING EVENT.**

Where applicable, it is possible to resubmit versions of a document between the 'Submission Deadline' and 'Final Date for Late Submissions', but these may be subject to penalties unless explicitly requested by Judges or Officials.

Judges and Officials will always review the most recent submission only.
