Railway Challenge 2020

Part 1: Photo Release

I hereby give permission to the Institution of Mechanical Engineers (IMEchE), its representatives, employees or other media contracted by IMechE the right to take photographs and video footage of me taking part in this Challenge. Also that such photographs and or videos may be used for promoting and publicising the Railway Challenge in printed publications such as brochures or newsletters etc, or electronically.

Part 2: Eligibility Criteria

Eligibility is limited to individuals who at the time of the competition are either:

- A registered student on (or a graduate of no more than two years from) a taught engineering course at a UK university or recognised overseas university.
- Or a current member of an MPDS scheme and having been registered for no more than two years
- Or a registered apprentice (or individual having completed an apprenticeship within the last two years)

Institution of Mechanical Engineers Membership

All team members must be affiliate or associate members of the Institution of Mechanical Engineers or another Engineering Council affiliated professional body (or international equivalent) in the calendar year in which the competition takes place. To apply for membership please follow the [link](#).

Age

All team members must be at least eighteen years of age at the time of the competition.

Returning team members

No team may have more than 40% of its team members who have been members of a previous Railway Challenge team.

I confirm that I meet the eligibility criteria of the Challenge detailed above.
